

Dr. Shawn L. Robertson

Assistant Professor

St. Joseph's College

srobertson@sjcny.edu

The following is a list of the technology tools utilized during today's session. I encourage you to visit all of the sites and begin to learn how to utilize them. They are all good sites to help teachers develop their skill sets in technology and move your colleagues into thinking technologically and in a myriad of ways instructionally. If you'd like more information feel free to contact me at: 631-643-2413.
